International Symposium on Sex Therapy
May 20–22, 2024**

Call For Papers

We are pleased to announce the Call for Papers for the International Symposium on Sex Therapy (ISST), dedicated to exploring advancements in sex therapy, research, and sexual health. The symposium will be held in Portimão, Portugal, May 20-22, 2024. As a leading platform for exchanging knowledge and ideas, ISST invites researchers, therapists, educators, and professionals worldwide to submit their abstracts for consideration.

ISST aims to showcase the latest developments in sex therapy techniques, modalities, and research, fostering a collaborative environment where seasoned experts and junior researchers can engage in meaningful discussions and contribute to the field's growth. We welcome papers that address a broad spectrum of topics, including but not limited to:

1. Innovative Approaches in Sex Therapy: Present novel therapeutic techniques, methodologies, or interventions that contribute to improving individuals' sexual well-being.
2. Evidence-Based Research: Share empirical studies, clinical trials, or systematic reviews that enhance our understanding of sexual health, dysfunction, and therapeutic outcomes.
3. Intersectionality and Sexual Health: Explore the intersection of various identities, such as race, religion, and culture, in the context of sex therapy and sexual health.
4. Technology and Digital Interventions: Examine the role of technology, apps, virtual platforms, or teletherapy in delivering effective sex therapy interventions and enhancing accessibility.
5. Ethical Considerations in Sex Therapy: Investigate ethical dilemmas, professional boundaries, and best practices in providing sex therapy services.
6. Sexuality and Relationships: Explore the interplay between sexuality and relationships, including couples therapy, intimacy, communication, and sexual satisfaction.
7. Cultural Perspectives on Sexual Health: Present research that sheds light on cultural variations, beliefs, and practices related to sexual health and therapy.

Publication:

A number of papers will be chosen for publication in a yearly volume of the ISST. While participants are encouraged to submit proposals to any of the areas listed above, this year's publication will focus on the topic: Arousal, Orgasm, and Expectation.

Submission Guidelines:
